

## Partnership Promise

In making this promise to Jesus, each other and the world  
we become Partners in the church for the year ahead.

### We commit to Jesus

Responding to your love; I come into relationship with you.  
You are my Lord. You are my saviour. I will be a mini-Jesus.

### We commit to the people of CFS

I will be family with you as God is family. We will live out our values in 'Partnership'  
together:

#### We value Jesus at the centre...

doing it his way; changing as we follow him deeper; relying on him;  
recognising we're a little bit of his world wide church; realising Jesus' Spirit is  
at work now.

#### We value building community...

building real and loving relationships as we rely on each other; growing up in  
faith together; giving our community away to others.

#### We value all people...

moving wider to all; encouraging participation by all; standing up with those  
who need us.

#### We value living life to the full...

finding Jesus in all parts of life; holding on to faith as we take risks; helping  
each other to grow into the full and unique people God wants. -

Please get involved in my life as I get involved in yours. I need encouraging  
supporting and challenging as I also do that for you.

I will share with you.

### We commit to our neighbours in the world.

We will join in with Jesus and go out in his love to strangers and friends,  
enemies and those on the edge of society.

We want to be good news with you as we get to know you.
